## 2019 Order Form

Attention: VCE Science Coordinators

### *Salutations everyone!*

Attached is this semester's catalogue of our VCE trial exams, study guides and associated learning literature, offering an invaluable suite of learning aids that are of huge benefit to students and teachers alike. We specialise in producing learning materials for VCE Chemistry, Biology, Physics and Psychology.

Both the Year 11 and Year 12 curriculums are aligned to the 2016/17-2020/21 VCAA study design and all our materials reflect these changes with **brand new questions – every year!** As in previous years, our Year 11 trial exams will be published in a **flexible, dual format**. So, you purchase a single exam with an inherent dual format that enables you to examine students on *either* both Units 1/2 in a single 2.5-hour exam, *or* separately in two 90-minute exams. Visit our website or Facebook page for more information. Both units of our **Chemistry 12 VCE Essentials** by first-class author, Pat O'Shea, are available to purchase. This user-friendly guide is designed specifically to prime Year 12 Chemistry students to achieve better results in their VCE examination. Buy the bundle (both units) and save \$10.

### HOW TO PURCHASE OUR MATERIALS:

Our preferred method of purchase is online at [www.learningmaterials.com.au](http://www.learningmaterials.com.au), however, you can still order via phone, fax or mail using the order form overleaf. Alternatively, contact us via email at [orders@learningmaterials.com.au](mailto:orders@learningmaterials.com.au). Don't forget to take a look at our bundle buys and enter our competition "**receive your Bundle for free**". T&C's on the website.

For more information on our range of products, please like our Facebook page to receive updates <https://www.facebook.com/learningmaterialsbylisachem/>.

We look forward to receiving your order soon.

*To Optout of future faxes and/or emails please Fax: (03) 8677 1725 or email [admin@learningmaterials.com.au](mailto:admin@learningmaterials.com.au).*

**ORDER ONLINE:**

[www.learningmaterials.com.au](http://www.learningmaterials.com.au)

Postage & handling on books flat rate fee of \$10.

**Download Link - \$0**

**Books - \$10**

**TOTAL P&H:**

<sup>1</sup> Dual format allows for the Unit 1/2 exam to be used as either a 1 x 2.5-hour exam or split and used as two separate 1 x Unit 1 exam and 1 x Unit 2 exam. <sup>2</sup> Unit 2 and Unit 1/2 include all 12 Optional Study Areas.

**• Biology • Chemistry • Physics • Psychology**

# Receive your Bundle for free

To celebrate the start of another school year, we are running our very popular competition “**receive your Bundle for free**”.

To enter you need to order your bundle directly from our website <http://www.learningmaterials.com.au/products/2019/bundles/>, like and share our Facebook page:

<https://www.facebook.com/learningmaterialsbylisachem/>.

by Sunday 31<sup>st</sup> March 2019.

T&C apply - go to our website for more information:

<https://www.learningmaterials.com.au/competition-terms>

Exam production is underway so keep an eye on our website for estimated delivery dates.
